

GOOD SAMARITAN HOSPITAL PRESENTS

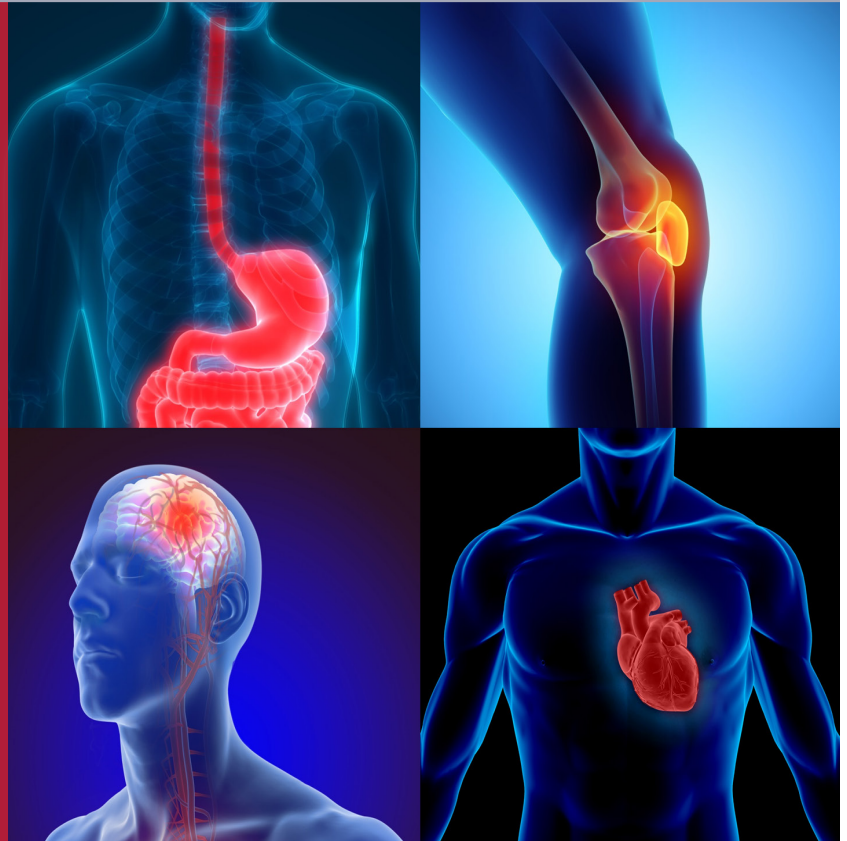

Bloodless Medicine Surgery Program Symposium

Coordinated by:

Richard M. Evans, MD FACS

Vice President, Surgical Services

Director, Bloodless Medicine Surgery

**Saturday,
November 9th**

9 a.m. to 4 p.m.

Good Samaritan Hospital
Auditorium
255 Lafayette Avenue
Suffern, NY 10901

**Lunch will be provided*

Understanding Bloodless Medicine Surgery

The Bloodless Medicine Surgery Program at Good Samaritan Hospital, implements science-based medical and surgical techniques aimed at conserving a patient's own blood and minimizing or avoiding the need for the transfusion of donor blood.

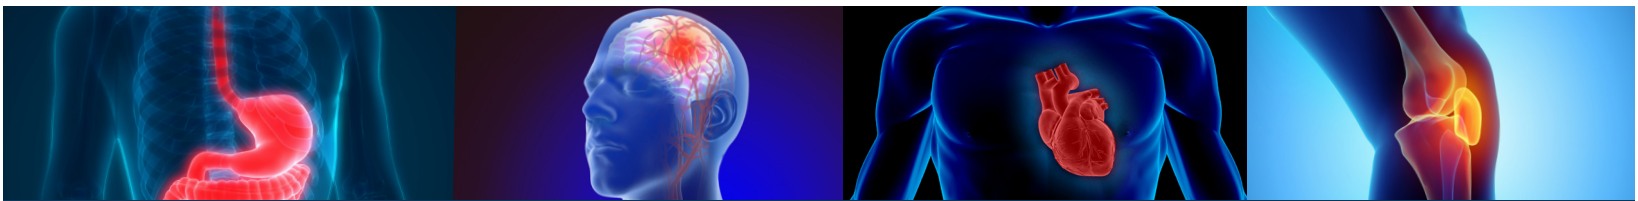

Learn more about these exciting new techniques and hear from our panel of experts about how blood conservation and transfusion alternatives are shifting the surgery paradigm and creating safer and more positive outcomes.

**To RSVP or for more information, please
